## **From the Executive Director**

Fiscal year 2008 is a year best categorized as one of change and transition for the Tippecanoe Arts Federation. Several changes were made in the administration and dynamic of the organization.

TAF President Barry Rubin took the reigns of the organization while a search for a new executive director commenced in September. Business Manager Dave Raymer and Administrative Assistant Abigail Props ran the operations of the organization and maintained the services provided to member organizations of the Federation through January 2008.

Beginning in January, the face of the Tippecanoe Arts Federation changed. After eleven years, TAF celebrated its designation as Regional Arts Partner to the Indiana Arts Commission thereby elevating its profile in the state. In this same month, TAF began facilitation of the Lafayette/West Lafayette Cultural Plan.

The Tippecanoe Arts Federation board of directors made a formal transition from that of an operating board to one of governance. The restructure of the board model served as a catalyst for the staff to directly affect programs while the board provided stability through the raising of funds.

The Tippecanoe Arts Federation was able to more successfully deliver its mission through the development and implementation of programs. The Mural Art Initiative launched in the Spring of 2008 with support from the City of Lafayette, PEFCU, and ICI Glidden Paints. A collaborative effort among TAF staff, local artists, and youth from Cary Home, this effort set the standard for which the organization continues its programmatic development.

Fiscal year 2008 ended with the most successful TASTE of Tippecanoe in nearly five years. The success of the event was due in large part to TASTE Event Director Scott Freeman and his team of community volunteers who worked unselfishly to execute this community event.

The results of the synergies that existed in the second half of FY08 included delivery of programs and services to 14 counties, over 525,000 fellow citizens impacted, and a nearly \$40,000 swing to the good financially.
