Application Review Criteria **Changes for FY18**

After receipt of completed application, the [Regional Arts Partner](#) will review materials to ensure that all required information was submitted. If any discrepancies are found (such as incomplete answers or uploads), the application may be ineligible for review.

Each eligible application will be reviewed and scored by a conflict-free panel of professional peers. The panel review will take place in the spring of 2017 and will be open to applicants and the public for observation and may be recorded (although audio quality is not guaranteed.) Applicants are invited as observers only and cannot lobby or address the panel on behalf of their applications before, during or after the panel meeting. The panel location and date will be posted on the [RAP website](#) and/or [IAC website](#).

Applications will be scored on a 100-point scale. The scores will be included as part of a funding formula to assist with the allocation of grant awards. Organizations that have a total score of 80 and over will be eligible for funding. Evaluation criteria are each worth 25 points and are as follows:

- **Community Engagement** The extent to which the applicant organization can demonstrate fair access and diversity through an active, two-way and ongoing relationship between the applicant and community in planning, activity, participation and evaluation of arts programming.
- **Organizational Excellence** The extent to which the applicant organization can demonstrate clarity on desired programming outcomes and impact; sound fiscal, management, and administrative policies; an inclusive and consultative program planning process; demonstrable commitment to continuous improvement; and innovation in the preservation and development of the art form.
- **Arts Education** The extent to which the applicant organization can demonstrate strategies designed to transfer specific training, skills, abilities and/or knowledge in the arts through publically recognized standards. (e.g. workshop leader has relevant experience; education standards are integrated if a school-based activity.)
- **Artistic Quality** The extent to which an artistic activity demonstrates quality through one or more of the following considerations: artistic intent, inquiry, competency, authenticity, process or impact.

Artistic Documentation: Submission of artistic documentation with the application is optional for this region.

Grant Award Determination

Following the panel meeting, a Commission-approved funding formula is applied to determine the specific grant recommendations. The applicant does not request a grant amount. The grant amount is based on the average of the applicant's last three years of total cash income, panel's ratings, number of eligible applicants in the Region, and the dollars allocated to the Region.

The grant award cannot be more than 20% of the applicant's three year cash operating income average. These completed cash financial statements must have been approved by the organization's Board of Directors. The AOS I budget breakdowns are:

- \$250,000 to \$499,999 (Average FY2017 grant for this Region was \$9,130)
- \$500,000 to \$749,999 (Average FY2017 grant for this Region was \$11,935)
- \$750,000 to \$999,999 (No grant awards made in this category in FY 2017)
- \$1million + (No grant awards made in this category in FY 2017)

The Indiana Arts Commission will review and ratify the funding recommendations at its June quarterly business meeting. Commission meetings are open to the public for observation and may be recorded. All applicants will be notified after the Commission meeting.
